NARRATIVE

Unit 1 was traveling from north to south on Peters Pk toward the T intersection at Old Springfield Rd. Unit 1 traveled through the intersection, and off the south edge of Old Springfield Rd striking an Ameritech phone box, utility pole, and 10 foot chain link fence surrounding the Dayton International Airport before coming to a final rest.

Unit 1 was stuck in the ditch, and the owner and or the operator of the vehicle left the scene of the crash without making proper notification. It appears an attempt to pull this vehicle from the ditch was unsuccessful leaving a broken steel cable attached to the rear bumper. Messages have been left for the registered owner to contact this officer asap.

MONTGOMERY	PETERS	

On May 22, 2017 at approximately 2212 hours, I was dispatched to the area of Peters Pike at Old Springfield Rd in reference to a single vehicle crash.

When I arrived, I noticed a full size Chevy van bearing Ohio registration GWJ7496, crashed against the 12' chain link fence on the south side of Old Springfield Rd at Peters Pike. This fence surrounds the Dayton International Airport. The vehicle also struck a utility pole, and a phone box (#3300) owned by Ameritech. Ameritech has been notified of the damage and provided HHPD dispatch with a ticket number (PQ251449) for when they would be out to make the necessary repairs.

Nobody was found in or around the vehicle however, the keys were left in the ignition. The engine was cold to the touch indicating the crash occurred awhile before it was reported by another motorist who was passing by.

I attempted to contact the registered owner, Daniel York by phone and at his last known address but was unsuccessful. I did leave a message on Daniel's voicemail at 2305 hours and with his Mother who I met in person at her residence, 3081 Little York Rd around midnight. Daniel's Mother advised he did not live there anymore. She stated he now lives with his girlfriend but she was unable to provide an address or phone number for this woman.

I asked Daniel's Mother to have him call me as soon as possible. I also asked her when she last saw her son and she told me she saw him the day before, 05/21/2017 at Walmart on Miller Lane.

I did not hear from Daniel by the end of my shift which was at 0600 hours.

On May 24, 2017, Sergeant Stanley advised me that he spoke with Daniel by phone on my day off. According to Sergeant Stanley, Daniel is claiming he was not driving the van at the time of the crash and furthermore, he claims his van had been stolen. Daniel did not notify police to have a report taken for this stolen vehicle. Daniel also claims he has been on house arrest. Sergeant Stanley informed Daniel I would be back to work on May 26, 2017 at 2130 hours and encouraged him to contact me at that time.

On May 26, 2017 I arrived at work but did not hear from Daniel by midnight so I attempted to call him. Again I was not able to reach Daniel by phone and had to leave another voice message.

On May 30, 2017 at 0500 hours I was able to contact Daniel by phone. Daniel claims his vehicle overheated somewhere on Spinning Rd which is where he left it. Daniel admits he still has not filed a stolen vehicle report. Daniel further advised he has liability insurance for any vehicle he drives however, he has fallen behind on these payments and most likely did not have insurance coverage at the time of this crash.

Daniel also claims to be on house arrest for a Federal case and is supervised by Ray (unknown last name) from the probation department.

I advised Daniel that my main concern was to clear this report as quickly as possible and with the least amount of enforcement action necessary. I explained to Daniel that if he was driving, he could come in and give his statement and I would issue him a citation for operating a vehicle without reasonable control but, If I had to conduct a lengthier, more time consuming investigation, and could prove that he is obstructing my investigation, he would face more serious charges.

I advised Daniel that I would like to get a written statement from him documenting his claim that his vehicle had been stolen and that he has no knowledge of who crashed his vehicle on or about May 22, 2017. I further requested that Daniel take a CVSA exam (lie detector test) to help rule him out as a suspect. Daniel became very defensive at that time and said I could talk to his lawyer. Daniel then hung up the phone or at least our connection was somehow lost around this time.
