NARRATIVE

Unit #1 was traveling west on US Rt 40, (W. National Road) in the South bound lane, and after passing Aullwood Road, failed to stop within the assured clear distance ahead and collided with the rear of Unit #2 which was traveling westbound on US Rt 40 (W. National Road) in the west bound lane and was traveling slower.

LOCAL REPORT NUMBER 19-038398	REPORTING AGENCY BUTLER TWP PD	DATE OF CRASH M 6 D 9 Y 2019
IN COUNTY OF MONTGOMERY	CRASH LOCATION State Route 40/ Aullwood Road	

On Sunday, June 9, 2019, I responded to US Rt 40 also known as National Road near Aullwood Road for a report of a vehicle accident. Upon arrival I located two vehicles with disabling damage. I spoke with Unit #1 who had rear ended Unit #2. Unit #1 admitted to consuming alcohol, but this was several hours ago and did not appear to be a factor on this accident.

Unit #1 stated he was traveling around the speed limit of 55 MPH on National Road when he rapidly approached a silver SUV without its running lights on. Unit #1 attempted to brake, but stated that Unit #2 appeared to be going much slower than the posted speed limit, and did not have time to stop. Unit #1 then struck the rear end of Unit #2.

Unit #1 was traveling westbound on W. National Road in the South bound lane, and after passing Aullwood Road, failed to stop within the assured clear distance ahead and collided with the rear of Unit #2 which was traveling west bound on W. National Road in the west bound lane and was traveling slower.

Unit #1 was cited for Assured Clear Distance Ahead.

Respectfully,

Officer Andrew Hayslip #18

I, **Kirk Gothard** HEREBY MAKE THIS VOLUNTARY STATEMENT TO
PRINTED

Hayslip AT **St Rt 40, Endwood Dam**
OFFICER'S NAME LOCATION

Headed West on Rt. 40 in my truck as I was crossing the dam I approached a vehicle at what seemed to be a ~~high~~ fast rate as I was doing the speed limit across the dam on my way home. I was unable to slow down in time to avoid the collision with the vehicle which to me did not appear to have identification marker lights present @ the time. If lights were present the vehicle was moving significantly below the posted limit and was unable to slow down before the collision. As I followed the curve it did not appear to me that there were any vehicles in front of me as I was crossing the dam. Then within a matter of seconds a vehicle was right in front of me, and I did my best to stop before making impact with the rear end of the vehicle in front of me. I don't believe that I was speeding at the time of the incident and approached a vehicle that was moving below the speed limit and was not able to maneuver past the vehicle being the incident was made
