Political signs are permitted in all zoning districts, in addition to other permitted signs, provided such signs meet the following conditions:

- Any sign or part thereof which is erected within or above a public right-of-way shall be prohibited.
- Any sign erected at or near any intersection of any streets in such a manner as to obstruct free and clear vision or cause a safety issue shall be prohibited.
- A registration form shall be submitted for each candidate or issue.

I hereby affirm that the information and statements given on this application are true and correct to the best of my knowledge. I understand that if the information in this application is not correct or complete, the result may be the invalidation of this and all subsequent permit(s) issued in conjunction with this Zoning Permit.
