Dear Butler Township Residents and Businesses,

Butler Township and Dynergy are excited to offer you an opportunity to participate in an Electric Governmental Aggregation Program.

Under governmental aggregation, the Butler Township Trustees act on behalf of electric consumers in Butler Township to negotiate an electric supply contract with an eligible provider. Both Butler Township and Dynergy are certified by the Public Utilities Commission of Ohio. Butler Township Trustees passed a resolution to adopt the program after Butler Township voters approved its implementation on November 8, 2016. The aggregation program for Butler Township will begin within one to two billing periods following your inclusion as a participant in the Township's program and end with your August 2020 meter reading. As an eligible resident or small business, you will be automatically enrolled in the program unless you choose to opt-out (not participate) by **July 13, 2017**.

Program Details:

- **Fixed Electricity Price** of 5.39¢ per kWh through your August 2020 meter reading.
- **One energy bill** from DP&L, your local utility provider.
- **No Fee** to cancel at any time.
- By receiving this letter, you **do not need to do anything** to be a part of the program.
- DP&L continues to deliver your electricity and maintain the electric lines and respond to emergencies.

Program Enrollment

After your enrollment is finalized, DP&L will send you a letter confirming your enrollment. As required by law, this letter will inform you of your ability to rescind your enrollment with no penalty.

How to Opt-Out

If you do not wish to participate, you must opt-out no later than **July 13, 2017**. You can do this by completing and returning the reply card below or by calling 888-682-2170.

If you choose to opt out (not participate), you may do so at no charge during this initial enrollment period and you will not be served by Dynergy. If you become part of the aggregation, you may cancel the agreement at any time at no charge by providing notice to Dynergy. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by your utility, DP&L, under its standard service offer or until you choose an alternative supplier. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility. For questions, contact Dynergy at DynergyCustomerService@dynergy.com or call 888-682-2170.
